The Fear of High Water.

The rains of the past few days have apparently been sufficient to arouse fear on the part of some people that high water might be a result. Director Vose, of the Parkersburg station of the Weather Bureau, the man whose predictions are the authorized weather reports for this section of the country, thinks otherwise, according to the following from the Sentinel:

All fear as to high water from the present heavy rainfall has been dispelled by Director E. C. Vose, of the local weather bureau. He says that the rainfall which has been so heavy in this section does not extend north of here any distance, but extends to the south and west.

The rainfall at Pittsburgh was of small amount and the river is running out in good shape.

The river registers but seventeen feet, two inches and Director Vose predicts that it will not rise more than two feet more.

This will still keep the river within its banks and consequently no damage will arise. It will afford the canal men a splendid stage of water and for a while at least, the river will be a scene of much activity.

River News.

In spite of the rains of the past few days the river is not rising very rapidly at this point. At 5 o'clock last evening the marks at the local wharf showed 15.8 feet in the channel and the water stationary. A rise of one and a half feet was predicted yesterday between Wheeling and Pt. Pleasant. More water is expected, however, as the continued rainy weather cannot fail to bring a rise.

The prospects of a good stage here have brought out all the Pittsburgh coal fleets and a number of tows are due to pass here today.

The Ben Hur left at noon yesterday for Pittsburgh and the Kanawha and Keystone State passed about midnight for the same point.

Today's boats are as follows: Greenwood for Charleston at 5 a. m. Lorens for Zanesville at 2 p. m. Virginia for Cincinnati at 6 p. m.

Bound Over to Court.

Rosa Miller, one of the women arrested on Ohio street the early part of the week charged with stabbing and cutting Mrs. John Wesley Curtis, and who later gained notoriety by breaking jail and being recaptured, was given a hearing before Mayor Richardson. She pleaded not guilty.

After hearing the evidence of several witnesses, Mayor Richardson bound the woman over to Common Pleas Court, now in session. The bond for her appearance was fixed at \$200, and being unable to furnish bond she was committed to the county jail, awaiting the pleasure of the Court.

Her sister, Sophia Miller, is being held as a witness in the case. They came to this city last September from Harrisville, W. Va., which place they claim is their home.

The New Laundry.

The carpenter work has been completed and the machinery is now being placed in the new Family Steam Laundry on upper Second street.

Hughes Bros., who are opening this establishment, have taken pains to secure the latest and best machinery for doing good work and when everything is ready they will have a laundry that is first-class in every respect. These gentlemen are hustlers and will no doubt build up a good paying business.

The Norwood Nearing Completion.

Matters at the Norwood Hotel are fast nearing a condition where that hostelry will be able to open its doors to the public. The elevator was completed yesterday, and is in good running order. The paperers and painters will be out of the building about the middle of the week. The furnishings are nearly all in, and the carpets laid, except in the hallways. It is expected to open the hotel a week from Monday—January 29th.

Mrs. H. B. Glines.

Mrs. H. B. Glines died Friday at the home of her son in Cleveland, after a short illness. She was seventy-five years of age, was the widow of the late Dr. W. C. Glines, and a sister of W. B. Shaw, Coal Run.

The remains were brought to this city last evening and the funeral will be held from the residence of Charles Glines, 104 South Fourth street, at 3 o'clock this afternoon.

Divorce Suit Filed.

Attorneys Sykes & Middleward filed in Common Pleas Court Saturday a suit for divorce; the case being William L. Moore vs. Anna M. Moore. The parties both reside in Marietta, and were married in Martinsburg, W. Va., in 1874. The plaintiff charges the defendant with willful absence for more than three years.

Elks' Social Session.

The Marietta Lodge of Elks held a social session last evening and as usual had a most enjoyable time. They met at 9:30 at Charles R. Richardson's office and at 10:30 repaired to Braun's restaurant, where feasting and speech-making were indulged in until a late hour.

ACCIDENT.

Miss Mary Bauer's Hand Horribly Burned at the U. S. Laundry.

Miss Mary B. Bauer, who lives at 130 Wood street, met with an accident last evening that resulted in a very painful injury to her hand, the use of which she may lose.

She is employed at the U. S. Laundry, and was at work running towels through the ironing machine, when in some way her hand was caught and drawn between the rollers.

Her screams brought one of the workmen to the place and he stopped the machine and removed the pressure from the rollers, allowing her hand to be released.

The hand was terribly burned, and of the flesh coming off and exposing the bone. The young lady was removed to her home and a physician called, who attended to the injured hand. It was a most unfortunate accident for Miss Bauer.

Has Bought a Site in Parkersburg.

While in the city yesterday M. R. Wolff, district manager of the C. D. & P. Telephone Company, closed a deal for the Rex lot on Fifth street, just above the Odd Fellows Temple, and in the spring his company will erect a building there which will be occupied as a central office, work shop and headquarters for supplies for this section. The property purchased has a frontage of thirty-three feet and a handsome two story building will be erected.

The company at the same time will put in an entire new system in their central office, the latest and most approved in existence, and will replace all local phones with the long distance boxes.

The improvements mean an outlay of many thousands dollars, but the Bell people appreciate the growth of the city and don't intend to be left behind in the procession.—News.

Cases Filed.

Three new cases were filed in Common Pleas Court yesterday, two of them being divorce suits.

William L. Moore, by his attorneys, Sykes & Middleward, filed petition for divorce from Anna M. Moore, on the grounds of willful absence. They were married in 1864, and have two children.

Mary C. Fisher against Bishop M. Fisher is the title of another divorce suit filed yesterday by F. J. Cutler, attorney for plaintiff. The parties reside in Marietta township, were married in 1886 and have three children. Extreme cruelty is alleged by the plaintiff as grounds for the action.

F. J. Cutler, attorney for Henry Erbs, filed suit against Nancy A. Tice and Linnie J. Sykes for the recovery of property.

Court News.

Most of the day Saturday was spent by Judge Jones in hearing motions, etc., in civil cases. A ruling that is of interest to Marietta people was that in the case of Fred Koerner & Son against the City of Marietta. The Court overruled the demurrer of the defendant and sustained the petition. The defendant was given leave to answer in four days.

The case of F. Wilking & Co. against Ellen P. Becker, agent, was set for trial Jan. 24. Four additional names were drawn from the jury wheel by order of the Court for service on the petit jury. They were as follows: J. D. Drain, Adam Drayer, P. G. Hays and Scott Davis. The petit jury will report Monday.

The Acme Brick Plant.

The side track has been completed to the Acme Brick Plant location in the East End, and the work of unloading machinery and building material will begin tomorrow. The plant will be built and put in operation as soon as possible.

Mr. Carmichael, who has been employed as Superintendent by the brick company, informed us yesterday that he had been making tests of the clay that they will use, and had found that it was as good as any he had ever handled in the business. The prospects for the new plant are very good.

In Trouble Again.

Sophia Miller, the sister of the Miller girl who was bound over to court yesterday afternoon, was released from the city prison last evening and proceeded at once to go up on the hill to renew old acquaintances.

In a few hours, however, she had succeeded in getting mixed up in a disturbance which called Officers Miller and Lattner to the scene, and she and John Wesley Curtis and Evans Armstrong are now languishing in the city baule, charged with disorderly conduct.

Funeral of Mrs. Kate Williams.

The remains of Mrs. Kate Williams, who died of typhoid fever in Pittsburg, Friday, arrived in the city yesterday accompanied by her husband and parents, Mr. and Mrs. L. P. Davis. The funeral will be held from the residence of Mrs. Catharine Davis, Fifth and Hart streets, at 1 o'clock today.

The next step below bronchitis is consumption. It is near the bottom of the down-grade hill of disease. The symptoms of bronchitis are tightness in the chest, difficult breathing, soreness, darting, sharp, or dull and heavy pain, or a prickly, distressing sensation, accompanied usually by a nagging cough and expectoration. There is no cure for bronchitis, or for sore throat and weak and bleeding lungs, unless the blood is purified. Those ailments will last as long as the blood remains thin and weak until the stomach is put in proper shape to make good blood.

Dr. Pierce's Golden Medical Discovery is the safest and surest remedy for all the persistent, aggravating, wasting diseases of the throat, bronchial tubes and lungs that come in advance of consumption. With it the sufferer can face about the other way, and mount upward on the steps of health. It is a tonic, and creates hunger. It is aid to digestion, and helps the weak stomach to do its work properly. It brings about the proper assimilation of food, and thus makes the blood pure. As the pure blood courses through the veins, all the microbes and impurities disappear, and with them the diseases which they cause. Don't take substitutes when the dealer offers them. Substitutes for Dr. Pierce's Golden Medical Discovery are not to be depended upon. They may contain alcohol or morphine. "Golden Medical Discovery" contains neither. It is a temperance remedy, and creates no desire for strong drink or narcotics.

"I had long been a sufferer from chronic catarrh of the head," says Chas. T. Stone, Esq., of Whitford, Chester Co., Pa. "It finally developed into a very disagreeable and hacking cough, with frequent and profuse discharge of mucus from the throat. I tried several doctors and took different remedies without receiving any benefit whatever. I then wrote Dr. R. V. Pierce in reference to my case. The first bottle of his 'Golden Medical Discovery' stopped the cough. I used several bottles, with Dr. Sage's Catarrh Remedy, and have since had no symptoms of a return of the cough."

Nearly everybody is more or less constipated, and thus subject to the endless chain of troubles that stubborn bowels cause. Dr. Pierce's Pleasant Pellets cure constipation and biliousness quickly, without erubescence.

—Mr. Edward Foreman, who has been ill for nearly five weeks, in Pittsburg, with typhoid fever, is reported to be somewhat improved. Mr. James Foreman and wife are up there, nursing the young man.

—Messrs. Nelson Moore and John Kaiser returned yesterday from a business trip to Toledo.

—Mr. Allen Newton arrived in the city yesterday and is the guest of Mr. John M. Starling, of the West Side. Mr. Newton formerly resided in this county, but has been in the West the past fifteen years, being now located in Bozeman, Mont. He holds a position in the government assaying office at that place.

—Capt. W. C. Olds returned yesterday from Battle Creek, Mich., where he has been for a month for the benefit of his health.

—John Reig, of Connecticut, O., arrived in the city yesterday and will remain until after the Olds-McCallister wedding next Wednesday.

—W. D. White, of Bellaire, is a business visitor in the city.

—Attorney John A. Hamilton will leave over the O. R. R. tomorrow for Butler, Pa., to take depositions in the case of Hughes against Hughes now pending in Common Pleas Court.

—J. O. Cullen, of Beverly, is visiting friends in the city over Sunday.

—Ralph Goodhue, of Wheeling, class of '99, Marietta College, is visiting friends in the city.

WHAT DO THE CHILDREN DRINK?

Don't give them tea or coffee. Have you tried the new food drink called GRAIN-O? It is delicious and nourishing and takes the place of coffee. Give your child GRAIN-O and you give the child the more health. You distribute through their system. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about 1/2 as much. All grocers sell it. 15c and 25c.

Moral Suasion.

Old Gentleman—Do you mean to say that your teacher never thrashes you?

Little Boy—Never! We have moral suasion at our school.

Old Gentleman—What's that?

Little Boy—Oh, we get 'kep' in, and stood up in corners, and locked out, and locked in, and made to write one word a thousand times, and scowled at, and jawed at, and that's all.—Collier's Weekly.

Dr. Bull's Cough Syrup furnishes most substantial comfort and relief to coughs, croup, whooping cough, and all other ailments of the throat and lungs. A cure is possible with this wonderful remedy.
